# THE GREEN KNIGHT

*Presented By*  
THE SENIOR CLASS OF  
DICKENSON MEMORIAL HIGH SCHOOL  
Clintwood, Virginia

# FOREWORD

"Out of the old fieldes cometh al this new  
corne fro yere to yere,  
And out of the fresh woodes cometh al these  
new flowres here."

Each group of graduates feels that it is something special,  
and so, perhaps, it is. Each class carries away its own  
memories that time will never stale.  
As our own collection of memories, we leave this year-  
book. This volume is precious because it will keep each  
other alive in our hearts in all the days to come.

"A place in thy memory, dearest,  
Is all that I claim;  
To pause and look back when thou hearest  
The sound of my name."

# DEDICATION

The seniors of Dickenson Memorial High School dedicate this annual to Mr. Howard M. Deel, who by his outstanding accomplishments has proved himself to be not only a great teacher and a great coach, but also a leader of young people.
